

## Register your land with the Tōtara for Tōtaranui Project

Our Values are focused on Kaitiakitanga leading to Rangatiratanga. Our Arohatia for this project requires us to practice Manaakitanga and join together with Kotahitanga under Mātauranga Māori to achieve our project goals.

Kaitiakitanga – Provision of active utilisation, preservation, conservation, maintenance, and management of the environs (including flora, fauna, aquatic and marine).

Rangatiratanga – The chiefly right to determine use and management of the natural environment.

Arohatia – Duty of care and responsibility to this Kaupapa, each other and iwi.

Manaakitanga – To care for each other, to be respectful, and an act of reciprocity of natural resources to be shared with others.

Kotahitanga – Unity of purpose and collective agreement for achievement of outcomes and goals.

Mātauranga Māori – Acceptance and acknowledgment of Māori epistemologies with the construction of key concepts and projects.

Mauri – The principle life force of our environs is protected including their tapu and wairua.

Registration of your land with the Tōtara for Tōtaranui Project is voluntary. It allows us to collate which land owners wish to be involved in the project. It is the first step in the process of restoring Queen Charlotte Sound / Tōtaranui for future generations. Any supporting documentation required below should be emailed to [admin@tft.org.nz](mailto:admin@tft.org.nz)

\* (indicates the required fields).

Name \*

First

Last

Email \*

Phone \*

Landline and / or mobile.

Legal Description (example: LOT 3 DP 987654) \*

Records of title (previously referred to as computer registers or certificates of title) prove the ownership of land and the rights and restrictions that apply to the land. You will need to provide a copy to us. They can be obtained from: <https://lrs.linz.govt.nz/search/>

Land Area \*

Hectares or m<sup>2</sup>.

Number of land owners \*

If the land is owned by a Trust you are required to provide a copy of the Trust resolution confirming that the land can be registered with the Tōtara for Tōtaranui Project.

Are you authorised to register the land with us? \*

Yes  No

We can not accept registration if you are not authorised by the land owner. If you are an agent for the land owner please provide a letter of your appointment as their agent.

Do you authorise the Tōtara for Tōtaranui Project team to access your property? \*

- Yes  No

To obtain funding we need to be able to access your property to assess the work required and undertake the work programme.
